

ANNUAL REPORT 2025–26

Academic Heights Public School, Hoshiarpur

A Year of Excellence, Growth & Achievement

A school year is a collection of countless stories—of dreams pursued, challenges overcome, talents discovered and achievements celebrated. The year 2025–26 has given Academic Heights Public School many such stories to cherish.

The academic session has been a year of learning, exploration, achievements and memorable experiences for our students.

At AHPS, we believe that education is not confined to textbooks and classrooms. Our endeavour has always been to provide a nurturing environment where every child gets an opportunity to learn, explore, create, compete and excel.

ACADEMIC EXCELLENCE

Academic excellence continues to remain one of the foremost priorities of our school. Through consistent efforts of our teachers, sincere commitment of our students and continuous support of parents, our learners have demonstrated commendable academic performance.

CELEBRATIONS & ACTIVITIES

The school campus remained vibrant throughout the year with a wide range of celebrations, activities and special events. These occasions provided our students with opportunities to express themselves, develop confidence and understand the importance of our rich cultural heritage.

Various festivals, special days, competitions, theme-based activities, creative activities and experiential learning opportunities were organised throughout the session.

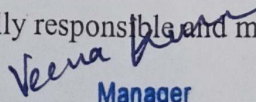

Through these activities, students developed:

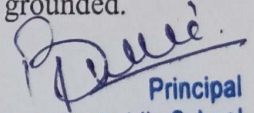

- Creativity and self-expression
- Communication skills
- Teamwork and leadership
- Cultural awareness
- Confidence and stage presence.
- Social responsibility
- Respect for traditions and values

Our celebrations were not merely occasions for enjoyment; they were meaningful learning experiences that helped students connect classroom learning with real life.

A HOLISTIC APPROACH TO EDUCATION

At AHPS, our focus remains on developing well-rounded individuals who are academically capable, physically fit, emotionally confident, socially responsible and morally grounded.

Our students have been encouraged to participate in academic activities, sports, cultural programmes, competitions, celebrations, creative pursuits and community-oriented initiatives.

Every activity conducted during the year has been planned with the objective of providing students with opportunities to learn by doing, collaborate with others and discover their own strengths.

A YEAR TO REMEMBER

The session has been filled with moments of achievement, participation and pride. From the 98% highest score in the Class X Board Examinations to the remarkable progress of our students in badminton, cricket, football, boxing and judo, the year has been a reflection of the collective efforts of our students, teachers and parents.

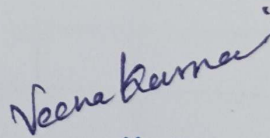

We congratulate all our achievers and participants and encourage every student to continue striving for excellence.

Our Message

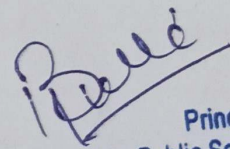

"Dream. Believe. Achieve."

At Academic Heights Public School, we will continue to provide our students with opportunities that enable them to dream fearlessly, believe in themselves and achieve their fullest potential.

The journey continues... with greater aspirations, bigger dreams and renewed determination to excel.
